

Top Twelve reasons to be a member at Juniper Golf Club.

Yes, we have bunkers!

1. Playing year around on a premier public golf course boasting 18 holes of breathtakingly beautiful and challenging golf. To top that off, you will never see any houses lining our fairways!

2. Incredible value for golf enthusiasts!

Low cost memberships are available to individuals and families. After paying a one time initiation fee of \$575.00, here are two examples of what you might experience:

- A single golfer plays an average of ten times per month. Based on current monthly dues of \$170.00 per month, the average cost per round is \$17.00.
- A family plays a combined average of 15 rounds per month. Based on current monthly dues of \$190.00 per month, their average cost per round is \$12.67.

Note: An additional \$25.00 food minimum fee is assessed monthly.

3. Membership tee times are unrestricted as to days and times, and can be made up to four weeks in advance. Do you want to book several times per week for a month in advance? Go ahead!

4. Unlimited driving range and practice facility privileges. In other words, all the balls you care to hit!

5. An inexpensive cart program for riders. An up to date electric cart will always be available to you and your family for only \$40.00 per month for individuals or \$50.00 per month for the family.

6. Members receive a healthy discount on purchases in the pro shop. How healthy? How about 15% on all purchases between \$15.00 and \$199.00, and 20% on all purchases over \$200.00. Those discounts apply to special orders as well as regular priced items. Oh, and when you make a purchase, just say "Charge it to my account.".....no problem!

7. Social activities for the whole family. Juniper golf boasts large and active men's and ladies clubs that really keep the season lively. The cost to join these organizations is minimal, but the benefits are enormous. They include weekly games, visitations to other local courses, access to senior golf

A look at Juniper's Clubhouse from the ninth hole. The main entrance is on your right with the patio area on the left. Banquet room available.

organizations, opportunity for ladies to play OWGA, organized breakfasts, lunches and dinners, plus special tournaments and events. An active junior golf program is in place. We pride ourselves in our efforts to bring the next generation into the wonderful world of golf!

8. A clubhouse facility with a view and amenities that would be the envy of any public course. Members receive charging privileges with monthly billings. Along with the usual dining options, the club puts on a number of special event dinners that are priced at a discount to members. The banquet facilities are renowned for special event gatherings.

9. Members only tournaments throughout the season. These would include every Friday couples 9-hole competitions, a ladies member-guest, a men's member-guest, a season opener and season closer, and a flighted club championship.

10. Reciprocal golf arrangements (including Oregon Trail Program) for various courses throughout the state.

11. Having a governing board made up of fellow members elected by you. You can offer input to these people on a daily basis via e-mail, a suggestion box, or just chatting on the course.

12. Having a staff of dedicated employees who are totally involved in making your golf club experience simply the best.....always!!
